The health guides: a pioneer approach to community problems (G. Larimore & R. Pacheco) 62
Towards critical assessment of professional practice in health education (L. Philip & N. Chatterjee) 98

Learning, health knowledge, health interests

A study among children in Ghana: the relationship of health knowledge and home background (B. Holt) 88
How much do patients know—and how much do health professionals think they know? (R. L. Kane & K. W. Deuschle) 102
In the USSR: health education of mothers in rickets prevention (A. N. Gracheva) 184
Research into the health knowledge and behaviour of schoolchildren (V. Pavlid) 116
What do « the educated » know about venereal disease? (L. H. Glass, L. M. Atkisson & M. S. Rickett) 135

International organizations

International Union for Health Education

Clair E. Turner elected IUHE honorary president 8
Preliminary programme of the VIIth International Conference on Health and Health Education, Buenos Aires . . . 146

International Union against cancer

1969 Eleanor Roosevelt International Cancer Fellowships announced 48

World Health Organizations

Health aspects of population dynamics . 87
Health in the world of tomorrow (M.-G. Candau) 12
New outlook on the role of surveillance . 61
Professional preparation in health education: Turkey assesses current status and future needs (B. Bengisu) 157
Significant discussions at European Seminar on scientific aspects of health education 47
The work of WHO in health education during the last decade 9
WHO sponsors advanced course in health education in Teheran 139

Maternal and child health

A new function of health education materials in maternal and child health (H. W. A. Voorhoeve) 114
A study among children in Ghana: the relationship of health knowledge and home background (B. Holt) 88
In the USSR: health education of mothers in rickets prevention (A. N. Gracheva) 184

Media

A new function of health education materials in maternal and child health (H. W. A. Voorhoeve) 114
Health education in medical care institutions: an attempt at evaluating experimental activities (M. Pelletier) 170
Health education posters in the USSR (M. Joffe) 111

Medical care institutions

Health education in medical care institutions: an attempt at evaluating experimental activities (M. Pelletier) 170
How much do patients know—and how much do health professionals think they know (R. L. Kane & K. W. Deuschle) . 102

Methods and procedures

A strategy of mass education for family planning (S. B. Kar) 78
A ship with a difference: health education and HOPE (N. Chamberlain) 189
Do parents care if their children smoke? (W. A. Allen, G. Angermann & W. A. Fackler) 126
Health education aspects of a Nigerian malaria project: say it through their own people (V. van Amelsvoort) 69
Health education contribution to BCG vaccination: a pilot project in Africa (C. Gateff & M. Lefèvre) 21
Health education in medical care institutions: an attempt at evaluating experimental activities (M. Pelletier) 170
Health education posters in the USSR (M. Joffe) 111

In the USSR: health education of mothers in rickets prevention (A. N. Gracheva) 184
Malaria eradication in Surinam: prospects of success after five years of health education (S. Barnes) 20
The health guides: a pioneer approach to community problems (G. Larimore & R. Pacheco) 62
The role of the school health doctor in the sex education of adolescents (J. G. Meadows) 180

Motivation

A strategy of mass education for family planning (S. B. Kar) 78
Do parents care if their children smoke? (W. A. Allen, G. Angermann & W. A. Fackler) 126
Health education aspects of a Nigerian malaria project: say it through their own people (V. van Amelsvoort) 69
Health education contribution to BCG vaccination: a pilot project in Africa (G. Gateff & M. Lefèvre) 38
Malaria eradication in Surinam: prospects of success after five years of health education (S. Barnes) 20
The health guides: a pioneer approach to community problems (G. Larimore & R. Pacheco) 62
The increasing dimensions in health: what the health education specialist can add (L. E. Haas) 32

National programmes

India establishes a national association to promote education for health 133
